Artist Series Urns

Hillside Memorial Park and Mortuary is proud to offer the Artist Series. All the works presented may be acquired for their beauty alone. Each is also a vessel that will serve as a fitting tribute to a life filled with grace, character, humor, purpose, achievement and passion.

This portfolio includes original artwork each of which was created to uniquely honor a beautiful life. All handcrafted artwork may show some variation in color or texture. The artwork is far more beautiful in person than the photos allow us to represent. We invite you to come and see for yourself.

The Artist Series includes many limited edition or original one-of-a-kind pieces. Continue to visit Hillside Memorial Park and Mortuary as the selections may change. Please contact a counselor for more information at 310.641.0707.
